## BUS STOP DROP-OFF PROCEDURE

All students regardless of age must be met at their designated bus stop by their responsible parent or guardian unless the school receives this signed notification.

If the school has this notification that the student(s) can be dropped off without their responsible parent or guardian present, the child(ren) will be dropped off by the bus driver at their designated stop.

If the school does not have this signed notification, the child(ren) will NOT be dropped off, the bus will complete its route, and at the end of the route will return the child(ren) to the after-school program at JKCS.

The parent/guardian will be responsible for costs incurred for having the child in the after-school program, and any additional costs that may be incurred as a result of not being at the stop for the child's drop-off.

Please return this form to the school if you wish your child(ren) to be dropped off at their bus stop without their parent or guardian present.
